## **MILEAGE REIMBURSEMENT ANNOUNCEMENT**

In recognition of current gas prices and in a continuing effort to assist our members in travel expenses related to attending our fall conference, we are announcing that for the 2024 Fall Conference UCCI will pay round-trip mileage reimbursement for each county attendee driving to Springfield. Mileage will be paid at the IRS established rate of 67 cents, effective January 1st, 2024. Mileage will be calculated from the county seat of member county to Springfield. Mileage reimbursement(s) will be paid by UCCI to the member county directly, not to attendee(s). In addition to mileage reimbursement, a meeting attendance stipend of \$400 will be paid by UCCI to the member county, regardless of the number of representative(s) attending the October 26<sup>th</sup> membership meeting.
